

## THANKS

Special thanks to the following persons who helped me in restoring this X-66 Console:

- **Paco de la Rosa** for supplying special parts, docs and encouragements
- **Alain Kahn** for supplying replacement white keys and service manual X-66
- **Henry Censier**, mechanical specialist who handcrafted the special jig for keyboards
- **Roberto Marchiava** who provided specific mechanical parts and took care of re-chroming of pedestal tubes
- **Olivier Lefevre**, wooden specialist who was renewing the wooden parts
- **Martine Vaes**, my life partner, who spent hours and hours in cleaning all white and black keys. Great job indeed.
- **Jorge**, Paco's engineer for his technical advices
- **Kazuo Iwaze** of Urban Music-Tokyo having found the missing pedal contacts
- **Sjaak Van Oosterhout** of Musifix-Eindhoven for his technical advices

## REFERENCES

- Alain Kahn 's DVD " HAMMOND INSIDE " - Part 1 - Care & Maintenance since several chapters of this DVD are directly applicable to X-66 console.
